

# Geometric Bat

Use these template shapes to cut out the pieces for your geometric bat. Follow the design to the right to glue them together to make your bat.

Discussion Questions:

1. What are the names of each of the shapes?
2. How many sides does each of the shapes have?
3. Which of the shapes are the same?
4. Which of the shapes are the same, only bigger or smaller than other shapes?
5. After you glue the squares on top of the big triangles, what shape do the triangles “turn into”?
